Waiver of Service of Summons

TO: Seth M. Beausang, Assistant United States Attorney/

I acknowledge receipt of your request that I waive service of a summons in the action of Massarelli v. United States, et al., which is case number 05-266-KAJ in the United States District Court for the District of Delaware. I have also received a copy of the complaint in the action, two copies of this instrument, and a means by which I can return the signed waiver to you without cost to me. I agree to save the cost of service of a summons and an additional copy of the complaint in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the court except for objections based on a defect in the summons or in the service of the summons. I understand that a judgment may be entered against me (or the party on whose behalf I am acting) if an answer or motion under Rule 12 is not served upon you within 60 days after October 7, 2005.
